

PRIVACY POLICY

Updated as of July 2, 2025

Xuanjun LI (“we”, “us”, or “our”) is committed to protecting your privacy and maintaining the security of any personal data received from you. The purpose of this privacy policy (“Policy”) is to explain to you what personal data we might collect through our PixBox(“App” or “Service”), and how we may use such personal data. Read this Policy carefully before you access to the App.

We may update this Policy from time to time without prior notice. When we do so, we will post the updated version here. We suggest that you check our most up-to-date version of the Policy on the App regularly and before utilizing any Services or providing your personal data to us.

1. Use of your personal data

We may use personal data for the following purposes:

- To provide, maintain, and improve our Service, including to monitor the usage of our Service.
- To contact you by email or other equivalent forms of electronic communication.
- To attend and manage your requests to us.
- We may use your information for other purposes, such as data analysis, identifying usage trends, determining the effectiveness of our promotional campaigns and to evaluate and improve our Service, App, marketing and your experience.

2. Types of data collected

Personally data we collect may include, but is not limited to:

- Location data such as your IP address.
- Contact information includes your name and email address.
- Activity data directly related to your use of the App, includes contact list and or photos.
- Usage data includes the pages of our App you visit, the time and date of your visit, the time spent on those pages, unique device identifiers another

diagnostic data.

- Device data includes device types and settings, device identifiers (such as IDFA, IDFV for Android, GAID for IOS), browser types, mobile, wireless, operating system versions, another network information (such as internet service provider name, carrier name and signal strength), and application version numbers.

3. Disclosure of personal data

We will disclose your personal data with the following parties:

- Service providers that operate at our direction and on our behalf to perform services we outsource to them.
- Authorities, if compelled to do so by a subpoena, court order, or similar legal procedure.
- Other third parties, for example we disclose personal data to advertising platforms at your direction, or security service providers to help prevent unauthorized access to our App.

4. Retention of personal data

We will retain your personal data only as long as necessary to provide you with the App or Service you request, our essential business purposes, such as maintaining the performance of the App, complying with our legal obligations and resolving disputes. When we have no justifiable business need to process your personal data, we will either delete or anonymize it.

5. Security of personal data

We follow strict security procedures in the storage and disclosure of personal data which you have given us to prevent loss, misuse, unauthorized access, disclosure or modification of personal data.

6. Children

We are strongly committed to preserving online privacy for all of our users, including children. Our policy is not to collect any personal data about children under 13 years old. Our Service are offered to users who are the age of 13 years and above. Minors under 13 years of age may have the personal data

that they provide to us through the App deleted by sending an email requesting deletion to the email address set forth in this Policy.

7. Your data protection rights

You have the following data protection rights:

- You can request access, correction, updates or deletion of your personal data.
- You can object to our processing of your personal data, ask us to restrict processing of your personal data or request portability of your personal data.
- If we have collected and processed your personal data with your consent, then you can withdraw your consent at any time.

8. Links

The App may contain links and references to third-party web sites. The linked sites are not under our control, and we are not responsible for the content or privacy practice including data collected of any linked site or any link contained in a linked site. We provide these links only as a convenience, and the inclusion of a link or reference does not imply our endorsement of the linked site. Read their privacy policies and terms of use before you enter into the linked sites.
